Celebrate the 19th Amendment!

Your Passport to Exploring the **CVNHP!**

The many stories of the Champlain Valley's cultural and natural heritage are told in museums, historic sites, and natural areas. As a partner of the U.S. National Park Service (NPS), the Champlain Valley National Heritage Partnership (CVNHP) participates in the NPS Passport Stamp Program where visitors log their experiences at parks, landmarks and heritage areas across the country.

In celebration of the Centennial of Women's Suffrage Movement, the CVNHP produced this commemorative Stamp Cancellation Passport for 11 locations throughout the national heritage area. These sites represent the arts, outdoor recreation, land conservation, military history, commerce, natural history, wildlife conservation, and many other aspects of the CVNHP. So, get your passport stamped for exploration, inspiration and adventure!
